D. A REPORT ON THE FEEDBACK OF EMPLOYERS (2022-2023)

Emphasizing quality and excellence, GRT Collage of Education performs the quality control measures to uphold quality educational services by initiating the conduct of feedback from various stakeholders -Employers through IQAC cell. As a part of this professional exercise, whenever the outsiders /recruiters visits the Colleges for campus interview/providing training session of Job fair, IQAC collects feedback at random from them and they express their views objectively on the employability skills of the students and applying for the placement /campus interviews. The placement cell also provide training on communication skills and conduct mock interview and group discussion as a part of preparing the students for placement and insists them on employability skills.

The questionnaire includes importance and specific aspects like:

- Course content is relevant and need-based.
- Development of analytical, logical, technical and creative skills.
- Activities like internship, field visit and guest/special lectures.
- Assignment and seminars.

The feedback received from employer during the academic year (2022-2023) is analyzed. From the analysis, it is found that, Eighty per cent (80%) of the employer strongly agreed that the B.Ed/M.Ed., curriculum currently offered by the University/Collage is relevant for employability and the remaining 20 percent of the Employers agreed for the above statement.

Sixty per cent (60%) of the employer strongly agreed that ,the current B.Ed/M.Ed curriculum has application based courses, which caters the needs of society in terms of knowledge, skills, attitude and innovation and the remaining 40 percent of the Employers agreed for the above statement.

Eighty per cent (80%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed degree programme is containing essential scholastic and non-scholastic activities and the remaining 20 percent of the Employers agreed for the above statement.

Forty per cent (40%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed degree programme promotes positive attitudes among the prospective teacher educators and the remaining 60 percent of the Employers agreed for the above statement.

Forty per cent (40%) of the employer strongly agreed with the statement that, the current B.Ed/M.Ed degree programme is designed to empower prospective teacher educators and the remaining 40 percent of the Employers agreed for the above statement, and 20 percent of the employers are neutral.

Sixty per cent (60%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed curriculum is designed in such a way to promote creativity among the prospective teacher educators and the remaining 40 percent of the Employers agreed for the above statement.

Eighty per cent (80%) of the employer strongly agreed with the statement that, the B.Ed/M.Ed curriculum of two-years is adequate to develop necessary competencies for future teacher educators and the remaining 20 percent of the Employers agreed for the above statement.

Eighty per cent (80%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed curriculum has a good balance between theory and practicum and the remaining 20 percent of the Employers agreed for the above statement.

Sixty per cent (60%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed curriculum is able to intellectually stimulate the teacher educators and the remaining 40 percent of the Employers agreed for the above statement.

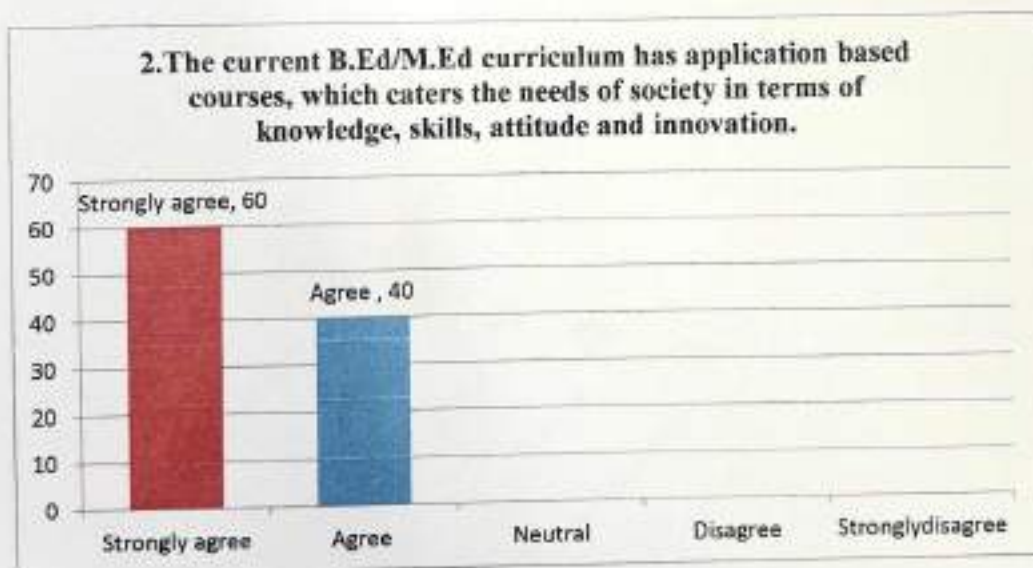

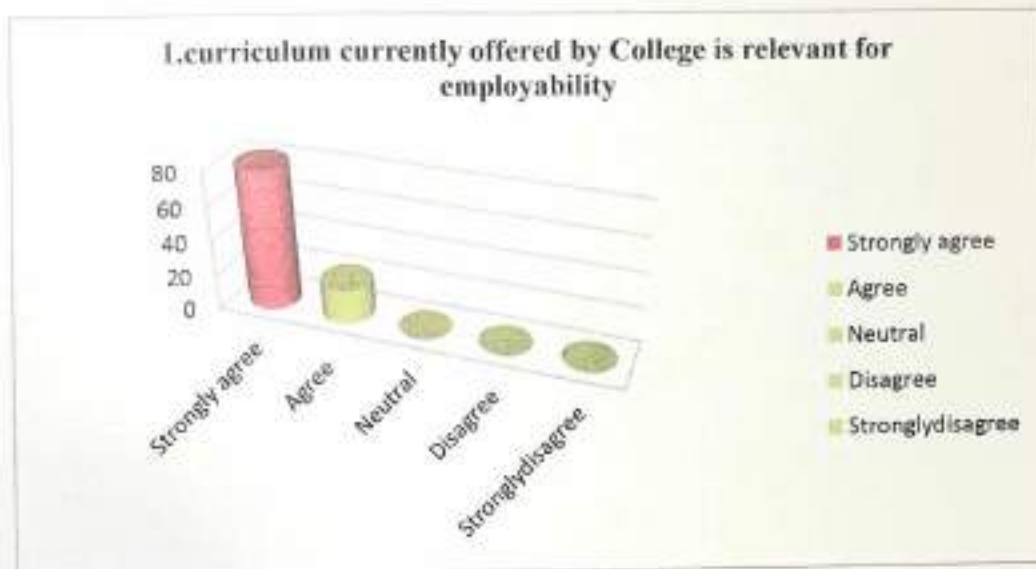

Twenty per cent (20%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed curriculum helps to develop overall personality of the teacher educators and the remaining 60 percent of the Employers agreed for the above statement, and 20 percent of the employers are stated as neutral.

Sixty per cent (60%) of the employer strongly agreed with the statement that, the present B.Ed/M.Ed curriculum has provision for the hands on experiences and field experiences to the future teacher educators and the remaining 40 percent of the Employers agreed for the above statement.
